DECEMBER 1989

It seems ages since I made up a newsletter but its time to get with it. The big Christmas party is just around the corner. I'm sorry the rally for October was canceled. I think it would have been a good rally. The State was afraid of the liability that might be involved. The Nov. rally hosted by Foretravel of Fla. was attended by 7 coaches. We got good reports on that rally.

We ended this year with 51 paid members. Betty gave me a Tres. report which I am including a copy of. We went to several new locat ionand never failed to have a good time with good friends at every rally. Luckily we didn't loose any of our members due to death. Ray and I would like to thank you for letting us be your Pres.and Sec. this year... Its been a busy year for us but we have enjoyed every minute of it. Few people know that Joe and Betty Joiners's daughter Lydia, has printed our rosters (2), labels and Tres. reports for us this year. Thank you from all of us. Our Christmas rally will be at"The Great Outdoors" in Titusville, Fl. Dec. 15th.16th,and 17th. We expect a large crowd and would appreciate early reservations. If the calling committee has not reached you by Dec. 8th, please call Vickie Angelieri at 904-396-0929. If you are an invited guest or out of town, please call Vickie. Reservations are a must. Non members will pay $9.50 per plate. The amount the club pays for the members will be determined by the number attending. Joe and Betty and Ray and I will have some vittles on Fri. evening for everyone to pick on. Breakfast at 8:00 Saturday and Sunday morning.

We ask that everyone bring a gift of at least $5.00 value for exchange. Please label it male or female. Installation of new officers will follow dinner.

I am enclosing a letter explaining parking & etc. Look forward to seeing you there.

SUNWHEELERS NEWS LETTER
JANUARY 1990

Happy New Year to all Sunwheelers and it is our prayer that 1990 will be a wonderful year for each and everyone of you.

We finished 1989 in grand style with the outgoing officers hosting our annual Christmas party at Jack Erkerd's Great Outdoors Resort at Titusville. What a great weekend it was. The weather cooperated beautifully to let us get in two days of golf while the girls did their shopping. The Resort invited the Sunwheelers for cocktails and hors d'oeuvres on Friday afternoon after which we adjourned to our camping area for hot dogs, baked beans and potatoe salad. Rita and Betty really did outdue themselves, it was wonderful. Then on Saturday night the Resort catered a turkey dinner with all of the trimmings for us and it was super. From the comments I heard everyone thought they must have gained five pounds, those people sure know how to cook and they made sure everyone had plenty to eat. To Rita & Ray and Betty & Joe thanks a million from all of us Sunwheelers for a rally that put the finishing touches on a wonderful year.

Ray

At the conclusion of our dinner President held a business meeting and announced the results of the balloting for the officers for 1990. Elected were Al Phillips President, Woody Richman Vice President, Sharon Glatthorn Secretary and Nancy Richman Treasurer. FMCA National Director Paul Seiden did the honors of installing the elected candidates to their offices for the year 1990.

The following were voted in as new members: Walter & Justina Sikes 14265 Point Pleasant Lane Jacksonville, Jack & Jackie Miller 2093 Allison Court Middleburg and Cal & Pat Hegstrom 1760 Highway A1A South St. Augustine. A cordial welcome to these new Sunwheelers.

Our January rally will be hosted by Claudia & Raiford Fuller and Betty & Joe Joiner and will be held January 12,13 & 14 at the Hoboken Twin Oakes Blue Grass Park, The fee for the rally is $35.00 per coach which includes a catered breakfast Saturday morning and a catered dinner Saturday night. Since the meals will be catered we need a definite yes or no on attendance. To make your reservations please call Betty Joiner 246-2593 or Claudia Fuller 282-5983 . Friday night, homemade soup and corn bread will be provided by our host. Saturday afternoon cocktails as usual. Please bring something light to nibble on.

We are in need of two couples to host our February rally. So to those who have not hosted a rally in the past year or so we need your help. We also need hosts for the months of April, July, August, September and October.

Everyone keep your
end. See you at Hoboke

The Twenty-Third Psalm

The Lord is my shepherd, I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of
the shadow of death, I will fear no evil:
for thou art with me; Thy rod and
thy staff they comfort me.
Thou preparest a table before me in the presence
of mine enemies: thou anointest my head
with oil; my cup runneth over.
Surely goodness and mercy shall follow me
all the days of my life: and I will
dwell in the house of the Lord forever.

RVs clog grounds

1,200 switch camping spots

A Tribune Staff Report

EAST LAKE — A Hillsborough County fire inspector ordered some motor homes to move Tuesday at the Florida State Fairgrounds, which was so clogged with the vehicles that some were violating fire codes.

Thousands of recreational vehicles were at the fairgrounds for the Family Motor Coach Convention. The event opened Monday and created a traffic jam on Orient Road and Dr. Martin Luther King Jr. Boulevard to Interstate 4.

Some of the campers were parked closer to each other than the 10 feet that fire codes allow, fire inspector Frank Frafante said. Another inspector at the site was seeing that the vehicles were properly separated, he said.

The influx of about 5,000 motor homes on Monday prompted a handful of complaints from area residents. One of those was from Barbara Merritt, who lives at Chelsea Street and Orient Road.

"If something had happened over there, there's no way a fire truck could have gotten in, the way they were parked," Merritt said.

Convention organizers had to send more than 1,200 vehicles to Sabal Park, Cigar City Truck Stop and other locations, event officials said.

Merritt and others were worried for local children, many of whom ride home each afternoon on school buses and get off on Orient Road. It's difficult for motor home drivers to see small children darting in and out of traffic, she said.

Traffic problems aren't expected when the event concludes on Friday, said Robbin Maue, a convention staff member. Campers making long trips home often leave in the middle of the night to get a jump on daytime traffic.

"By Friday, many of them will already be gone," she said.

OCTOBER RALLY

Our September rally was attended by 18 coaches. We played golf, we shopped and we looked at the "fleas" at the flea market. Our hosts did an out standing job on the fish. It must have been good because there wasn't any left. That Harry and Mark fry some mean pancakes. Thanks again from everyone. Justina said they would have another one, but it would be in January. It was hot. Trudy Vickers won the half & half for $20.00.

Our October rally is the 12th, 13th and 14th. at Daytona North-Bulow KOA. Coming from the North on I-95: Exit 91(Rt. 100) then go East to traffic light. (Rt. 2001). Take a right and go South 3 miles. $13.50 plus tax per night-full hookups. Camping fee's must be collected by rallymaster (campground rules). Therefore camping fees will have to be paid by cash or check-no credit cards!

Our hosts for the week-end are Frank and Aggie Ritchey and Jim and Betty Couch. Friday night Jim will show movies. There will be pop corn, so bring your own drink. Saturday night will be a covered dish dinner and after dinner there will be live entertainment from our one and only Frank Ritchey. Saturday and Sunday morning a continental breakfast from 8:00 to 10:00. For those that would like to go over to Old Sugar Mill(Plantation Ruins) there will be golf carts furnished by the hosts to take you back and forth.

Our condolence to Jack Fiser and family, a former member, in the loss of his sister. Checking with our Sunshine gal, Vera Edges, she reports Jake Fallin doesn't like that cast on his foot and he could feel better. Richard Brownell is doing ok. Still gets tired. Hope they both get to feeling better soon.

Sharon will be back next month. Thats all for now.

Newsletter November 1990

THANKS RETA!!!!!
for the super job you did covering the newsletter while Bob and I were gone. New England was beautiful! We thoroughly enjoyed a real "New England clam bake" as well as all of what New England has to offer the tourist industry. The colors were the prettiest some of the locals could remember. The lobsters were better than ever, we just had a great time. We motorcaded with 37 other motorhomes and loved every minute of it. From there we went on down to Pidgon Forge, Tenn. for the F.M.C.A. Fall Foliage Rally. The colors had not really started to change yet but the steaks and rosin baked potatoes were as good as ever. Thats always a good time. We were in for a surprise when we got to Lafayette, La. for the FMCA Six-State rally. Who did we run into but more Sunwheelers. The Hankeys, Sikes and Guarinos were there also. Boy, everything we always heard about the Crusin Cajuns sure was right, they really know how to put on a rally. The cajun food, cajun music and cajun's were super. We had a great time didn't we guys?
Again, Thank you Reta.

Oct. Rally was attended by 20 coaches. It was hosted by the Couch's and the Ritchey's. There was a mini-cruise to Hawaii, some dancing and some entertainment by the Ritchey's. The half & half was won by J.R. Curtis. Jim Couch brought his "buckin'" golf cart and treated those who were brave enough, to a ride.

Nov. Rally will be at the St. Johns Fairgrounds on S.R. 16. This will be our Thanksgiving rally with turkey and dressing. You bring the trimmings and a covered dish. The hosts, the Joiners and Guarinos, will take care of the turkey and dressing. Dates are the 15th, 16th, 17th and 18th. Parking is $4.00 per night. The members will be assessed for the rec hall. Remember to take your garbage home with you. Also, bring a gift in a brown bag for the auction.

Best wishes to Jake Fallin for a speedy recovery and Paul Seidon for the loss of his mother.

GOLFERS, mark you calenders for Feb. 91 for the 2nd Annual National Amature RV Golf Tournament at The Great Outdoors in Titusville, Fla. More to follow in the next newsletter.

The originator of what has become a classic Christmas story has revealed herself. Arlington resident **Ruth Snyder** recalls that when her son, Southside dermatologist **Charles Snyder**, was a small boy in Muncie, Ind., about 48 years ago, she was working in the kitchen when he asked her to read him the story about the man who got sick. She said she couldn't remember such a story, so she told him to find the book and bring it to him. He brought her the old standard, **The Night Before Christmas.**

Snyder

She asked him where it said anyone got sick in the story. He turned to the page where it said: "He flew to the window and threw up the sash."

She sent that story in to Readers Digest and got $10 when it was printed. And that's how that story, oft-repeated by comedians, got started.

Reta provided us with this clipping of Sunwheeler member!

PAST PRESIDENT
1985

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.
