

JAKE FALLIN

It was with the leadership of Jake that, the Sun Wheelers Chapter of FMCA, was formed. He and Virginia provided the space for our meetings at their place of business.

Jake never held an elected office in our chapter as he held offices with the National, but helped our club in that capacity. He was always available for advice and support through all these years, as a charter member.

Jake was a giant of a man that enjoyed his fellow man. He was an example of what the family Motor Coach lifestyle is about. We are thankful for the contributions and fellowship to our club by John (Jake) Fallin, A SunWheeler.
