UNSOLVED MYSTERIES OF ANATOMY

Where can a man buy a cap for his knee.
Or a key for a lock of his hair?
Is the crown of your head where jewels are found?
Who travels the bridge of your nose?
If you wanted to shingle the roof of your mouth.
Would you use the nails in your toes?
Can you sit in the shade of the palm of your hand or beat on the drum of you ear?
Can the calf in you leg eat the corn off your toe?
Then why not grow corn on the ear?
Can the crook in your elbow be sent to jail?
If so, just what did he do?
How can you sharpen your shoulder blades?
I'll be darned if I know -- do you?

I failed to thank our host for June for the wonderful food. The location was great.....I am sure we will be using it more often. A great big **'thank you'** Harry & Trudy...
There were 13 coaches at this month's rally. The VanDiver's and Hankey's came for a visit and supper on Sat. night. Pat and Don came again for breakfast on Sunday.

Saturday some of the girls went shopping and the others did crafts or played games. Sat. night we had spaghetti, bread, and salad - topped off with an anniversary cake and champagne for Bob and Patty. Thank you Bob & Patty for sharing you special day with us. We know you did not plan on spending your anniversary cooking for all of us. You did an excellent job! Phyllis won the 1/2 and 1/2.

The campground showed a movie. I know it must have been funny because they were laughing so hard - the others played cards.

The going and coming:
Richmond's returning from Arizona
Harley's are in Iowa until Sept.
Cattuna's out of town until Sept.
Curtis out of town until Sept.
Bing's and Todd's are in Nova Scotia
Joiner's will be out of town until Aug.

There were 9 coaches at this month's rally. It was HOT, but everyone enjoyed themselves (I have been told as we were not able to be there) Rita and Ray really 'out did' themselves with the wonderful food. I still think that Rita should do a cookbook for us who don't cook too well ----

Harry won the 1/2 and 1/2.

There were 16 coaches at this month's rally. The shrimp was delicious - thanks Margaret and Fred. Eddie made the soup for Friday night and it was excellent. Thanks Vera and Eddie. We certainly have some good cooks in our club.

Vicki and Joe Angelieri visited with us on Sat afternoon. The men played golf (Someone gave out of gas -- who would do that?) Women shopped till they dropped. Rita won the 1/2 & 1/2. Don Cook has made a table napkin/salt & pepper holder and will auction one off at each rally (money to go in the treasury) You must see this to appreciate. Rita won the one for Aug.

A short meeting was held. Then we played cards and talked. The girls must have had their tickle box turned over --- what was so funny -- ha! ha!

Guests - Lonnie and Brenda's newest granddaughter, Rachael.

Kate won the 1/2 & 1/2.
Paul won the table organizer.
Fred and Margaret had engine trouble and did not get in until Sat.
We had 4 winners from our club at Bingo Fri. night. There was a lot of football game watching outside the Cattuna's coach on Sat. afternoon. Everyone brought snacks. Non football game watchers went swimming. They had 2 beautiful pools.
The steak dinner Sat. night was excellent. We were all eating dinner when Walt and Justina came in (they have been gone for 2 months). Good to have all our travelers back.

Bing's & Cook's did an outstanding job. I think all of us would like to go back to ARA Salt Springs.....

There were 13 coaches at Southeast Area Rally in Titusville, FL. I think that everyone enjoyed the rally, especially Walter and Lonnie. There was a little confusion concerning the trip Walt and Lonnie took to the store. Walt has a rattle in his trunk and they stop to investigate and both get out and close their doors - the doors lock. It's raining and they are trying to flag down a policeman. To make a long story short a couple of blondes in a sports car bring them back to their coaches.

They called it THANKS GIVING

In the early days of America, our forefathers celebrated bountiful harvest with a feast on what was called "thanks giving day." Today the feast day is simply called Thanksgiving.

At the end of each year the Pilgrims and Indians got out everything they could to make a sumptuous feast. They served hearty and delectable roasts, fish dishes, vegetables, breads, cakes, pones, puddings, sweetened berries and other fruits.

All of this just to say "thanks for the giving?" Yes. And it's as important now as then to express gratitude for the bounty of our land. Maybe we don't need to gorge ourselves, but we can celebrate in a like way by getting together with friends and working a few days ahead.

Season's Greetings

The officers for 1994 sincerely wish each and everyone a very Merry Christmas and a Prosperous New Year.

There were 16 coaches at Oct Rally in Clairmont. We definitely had a great time. Thanks Lou, Bob, John and Ann for all your hard work and efforts. It was most unfortunate that Paul S. had his accident, but he is so lucky that he was not hurt. All of us need to be extra careful when we are on the highway. These rigs are not easy to stop.

The entertainment was good on Sat. night. Some stayed for the dance and others played cards. They had to run the Church group out. Dodie and Lonnie were dancing and Dodie fell on her butt, literally.

Don Hankey won the 1/2 & 1/2.

Lou VanDiver put on a lingerie show for the ladies. We all enjoyed this and the club made money too.

Donald and Beverly Holaday, friends of the Hankeys, visited with us. They will visit with us one more time and then they can be voted in.

The Twenty-Third Psalm

The Lord is my shepherd, I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of
the shadow of death, I will fear no evil:
for thou art with me; Thy rod and
thy staff they comfort me.
Thou preparest a table before me in the presence
of mine enemies: thou anointest my head
with oil; my cup runneth over.
Surely goodness and mercy shall follow me
all the days of my life: and I will
dwell in the house of the Lord forever.

There were 11 coaches at the rally this month. The Holiday's (Don and Beverly) visited with us. Come back to see us again and think about joining the club. It was good to see Pat back on her feet again. There was a short business meeting Sat. a.m. Dues due, up coming trips, new rooster, and Hanna Park were discussed. We still need host for June, July, Aug., Oct., & Nov.. Dick suggested that we go on a 4 to 6 day trip to south GA as a caravan. Think about it and let Dick know if you would be interested. The supper was fabulous, soup and cornbread. The *Yankee swap* went ok, we had a few disappointed people.....You just never know.

The Twenty-Third Pound

My appetite is my shepherd.
I shall always want.
It maketh me to sit down and
stuff myself.
It leadeth me to my refrigerator
repeatedly.
It leadeth me in the path of "Burger
King" for a whopper.
It Destroyeth my shape.
Yea, though I knoweth I gaineth, I
will not stop eating, for the food
tasteth so good.
The ice cream and cookies, they
comfort me.
When the table is spread before
me, it exciteth me, for I
knoweth that soon I shall
dig in.
As I filleth my plate continuously,
my clothes runneth smaller.
Surly bulges and excess weight
shall follow me all the
days of my life, and
I shall be fat forever.

I know you have been waiting for the new roster--- Well, it has arrived, and is enclosed.

Dick has asked me to ask that you try to attend the September Rally in Jennings. At this time he would like to discuss the by-laws and maybe make some amendments. Also bring with you any ideas you might have to increase getting more members to hold rallies. We have enough members (38) that each member (coach) could host a rally every 2 years or so.

We need host for October and November.

Our rally at Jennings was very good, we all did our own thing. Friday night we went out to eat, Sat. night some went out and the others cooked out. This was fine except the ducks would have taken over had it not been for String, he did a good job and was rewarded with steak and steak bones. The Powell's made coffee each morning at their coach. Sat. a.m. we had a meeting. Dick discussed a few alterations to the by-laws. Much discussion followed and we will continue at a later time. Dick gave us a narrative of the events that took place in Minot. The biggest thing was Dottie Pierce being elected President of FMCA (the first woman president). I wonder if she got a T-shirt from Wal-Mart - Ha. Ha. She was shocked as well as the other members. She will be good in this the position and we all wish her the best of everything. Pat Molloy was elected President of the Southeast Area, she comes with an excellent endorsement from Dottie.

One of the worst things about being self-employed is that you can't say "I gave at the office."

Bits & Pieces

A couple called a neighbor to extend birthday greetings. They dialed his number and then sang "Happy Birthday". But when they had finished their off-key rendition, they discovered they had the wrong number. "Don't let it bother you," said the stranger. "You folks sure can use the practice."

There were 11 coaches at Flamingo in November. The food was great, everyone pitched in and made it a really good rally. Thanks Betty for a job well done. It was good to have our good friends, Joe and Vicki come and visit with us on Saturday and join us ladies in making Christmas angels from crochet thread. Others (men and ladies) visited Wal-Mart and the Flea Market. Dick had a short meeting with the officers to finalize the plans for December. We are sure all of you will enjoy the food and the relaxation of having the food catered for us by Richard's Place, Inc., Ocala.

A bowlegged cowboy decided he was tired of the hard life on the range and took a job at a department store. He soon learned his way around the place, and proudly took on the job of greeting customers at the elevators and directing them to the appropriate counters.

One day he approached an overweight woman, who informed him she was looking for talcum powder.

"Sure thing, ma'am," said the cowboy politely. "Walk this way."

"If I could walk that way, buddy," she snapped, "I wouldn't need the talcum powder."
