April 1984

Happy Anniversary Sun Wheelers! We're ten years old this month. Let's celebrate. Our rally will be April 13-14-15th, at the FOP grounds. Directions to FOP are as following: Go to Regency square and take Monument Rd. North off of Atlantic Blvd. for approximately 3 miles. Turn right on Derringer Rd. and go to 1502 Derringer Rd. to FOP which has a sign out in front. It will be dry parking. Phone number 641-8711. We would like for you to park in wagon wheel fashion. Katherine Harley, our cocktail hour chairman, tells me cocktail hour will be from 3:00 to 4:00 Saturday afternoon. Bring your favorite Hor D'oeuvre that will go along with some good punch. I am told we will have some musical entertainment furnished at this time. Dinner will be at 6:00 with ham and turkey furnished by the chapter. Vickie Angelieri, our food Chairman, will contact you concerning the menu and what dish she would like for each coach to furnish. A fee of \$5.00 per member will be charged. We are on our own Friday night. Lets have a good turn out!

Our March rally was attended by 18 member coaches and one guest coach. It was a pretty week-end even if that east wind was a little "sharp". We all consumed our share of oysters and that pump on the keg stayed busy. The fish and trimmings were delicious. The auction Saturday night netted the club \$50.00 plus a good time. Believe Me! some people got some good bargains. A special thank you to the Curtis's, Todds and Wishams. Herb Wisham, who is retiring in April, received some useful gifts. Food stamps-pacifier and etc. His cake was decorated very fitting for the occasion. Congratulations Herb!

The Sun Wheelers lost a member this month. Richard "Dick" Norton passed away. As Family Motor Coaching would put it, Dick took his final trip. Our sincere condolences goes to Ethyl and his family. Seven members of the Sun Wheelers served as honorary pall bearers.

Are your dues paid?

See you at FOP.

May 1984

Its rally time again. Jack and Billie Fiser and Gene and Lola Brotherton want all of us to come to a fish fry Saturday night at the Travelers Campground. It is located off I-75 at U.S. 441. (Alachua exit). Go south 200 Yds. Opposite Holiday Inn, North on Campground Rd. It has electric and water hook-ups plus dump station. Thats May 11, 12 and 13th. Friday night you are on your own. Breakfast as usual Saturday and Sunday morning.

Our anniversary April rally at FOP was "great". There were 23 coaches attending. Eleven of the Charter members were present including Carl Langdon, the Chapters first president. A delicious dinner was enjoyed Saturday evening with enough food left over for lunch Sunday. Our cocktail party was a meal in its self. Thetable was decorated with fresh flowers which in turn was awarded to the grandmother with the most grandchildren. Mrs. Ed. Gregory with 17 was the winner. Music Saturday afternoon was furnished by Jim Couch and friends. After dinner our Pres. Joe Angelieri introduced the South East Vice Pres. Mr. Lloyd Benson, also all the charter members attending: Carl and Edith Langdon, Mrs. Carolyn Bell, Mrs. Chris Boney, Mrs. Billie Mallette, Will and Karen Gegin, Bob and Betty Bruce and Jake and Virginia Fallin. Thank you to everyone who made the rally a sucess. Paul Seiden has copies of the new By-Laws for everyone. Marge Todd won the half and half for \$25.00.

Our Sunshine lady is on her way to California so I hope everyone is well. Kathy Shaner, we hope you got your problem solved. Our condolence go to Juanita Harris is the loss of her mother.

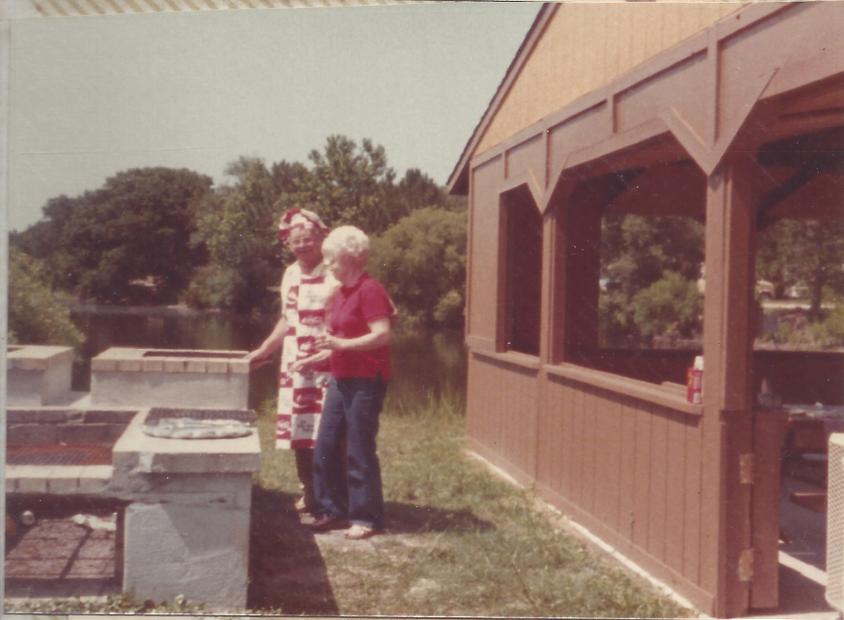

Seventeen coaches attended the FMCA convention in Ft. Meyers. Other than the wind, water and blowing dirt, a good time was had by all of us.

Ray and I will be gone for the next three months and thanks to Phyllis Powell, she will fill in for me. Please contact her with any information you want in the usual newsletter.

See you in September.
