Dear Mrs. Brotherton:

It was indeed a pleasure to meet with you and Mr. Brotherton and Mr. and Mrs. Harley last Saturday to discuss the Sun Wheelers visit with us on April 12, 13 and 14. I have taken the liberty to summarize the meeting and the contents of it and am enclosing a copy of the summary with this letter for you to review.

As I stated during your visit and the meeting, it is always a pleasure to work with the Jacksonville Sun Wheelers group as they are an intricate part of the operation of the Florida Sheriffs Boys Ranch. We look forward to having you join with us on that weekend and will pray for good weather so that we will be able to have the opportunity be a most pleasant one for all involved.

Please review these items and if I have neglected to include something or if I have included something that is inaccurate, please contact me as soon as possible. In any event, we look forward to your coming and ask that you share that sentiment with all the members of the Sun Wheelers organization.

Sincerely,

R. William Aust, Ph. D.  
Regional Director

RWA/nm

P.S. - Two hours after your departure, a 55 pound heifer was born to the Charolais mama in the arena area that morning. At the present time, mama and baby are doing fine.
