11 Rigs showed up for the Rally at "THE SINGING SURF". We all had a good time even if it was rather warm. But it's been warm all over...Dodie & Joe Bing, Betty & Joe Joiner did a great job.. Fishing and Shopping were the main things to do in the day. Cards etc were done at night... We enjoyed the company of Virginia Fallen and Cathy Greatrex. Clint & Pat Brazil brought there son Mike and there 3 grandchildren along for company. We enjoyed them all.

On the sick list... Joe Agelieri is doing real good and so is Tom Brooker. Eddie Edge did real good on his heart test so he didn't have to stay in the Hospital. Keep up the good work guy's. Hope Walter Strickland is doing O'K.

Happy New Year to all!! It is our prayer that the coming year will be a good year for each and everyone of you.

Our Christmas Rally was held at Jack Erkerd's Great Outdoors Resort at Titusville, FL. hosted by our outgoing officers. There were 17 coaches in attendance. The men played golf while the ladies went shopping and made some crafts. The weather was a little on the cold side, but the food made up for it. It was a rally to remember as Trudy and Harry can attest. to - Right Harry? Our thanks to Dodie, Rita, Pat, Art, and their spouses, they did a wonderful job with the rally and overcoming the last minute obstacles. The food was great and I am sure we all gained 5 pounds. This really completed another wonderful year for the Sunwheelers.

Dues are due and payable by January 1, 1994. If you have not already done so, mail your check (\$25.00) payable to Sunwheelers to:

LESSONS FROM GESE

Fact 1: As each goose flaps it's wings it creates an "uplift" for the birds that

follow. By flying in a "V" formation, the whole flock adds 71% greater flying range than if each bird flew alone.

Lesson: People who share a common direction & sense of community can get where they are going quicker and easier because they are traveling on the thrust of one another.

LESSONS FROM GEESE

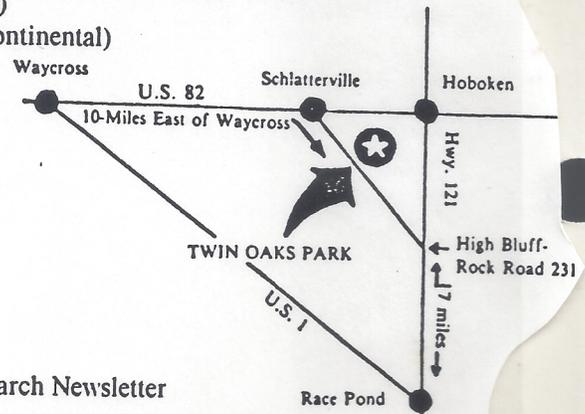

Fact 2: When a goose falls out of formation, it suddenly feels the drag and resistance of flying alone. It quickly moves back into formation to take advantage of the lifting power of the bird immediately in front of it.

Lesson: If we have as much sense as a goose we stay in formation with those headed where we want to go. We are willing to accept their help and give our help to others.

LESSONS FROM GEESE

Fact 3: When the lead goose tires, it rotates back into the formation and another goose flies to the point position.

Lesson: It pays to take turns doing the hard tasks and sharing leadership. As with geese, people are interdependent on each other's skills, capabilities and unique arrangements of gifts, talents or resources.

There were 17 coaches in attendance at Lake Oklawaha in March. Guest were Dave & Dean Decker. The Joiner's and Guarino's served corned beef and cabbage, it was excellent. The host did an excellent job all week-end with the food and entertainment.

A brief business meeting was held. New members voted in were Bill and Romie Martin, Bob & Patty Milligan.

Art Todd won the 1/2 & 1/2. An Auction was held on Sat. night (I think it was rigged) Justina purchased the most unusual and priceless gift—For those who were not there, you will have to wait until the next auction, and maybe 'IT' will appear again.

April will be the last newsletter for those who have not paid their 1994 dues.

LESSONS FROM GEESE

Fact 4: The geese flying in formation honk to encourage those up front to keep up their speed.

Lesson: We need to make sure our honking is encouraging. In groups where there is encouragement, the production is much greater. The power of encouragement (to stand by one's heart or core values and encourage the heart and core of others) is the quality of honking we seek.

*The Lord is my shepherd;
I shall not want.*

*He maketh me to lie down in
green pastures; he leadeth me beside
the still waters.*

*He restoreth my soul; he lead-
eth me in the paths of righteousness
for his name's sake.*

*Yea, though I walk through
the valley of the shadow of death, I
will fear no evil; for thou art with
me; thy rod and thy staff they com-
fort me.*

*Thou preparest a table before
me in the presence of mine enemies;
thou anointest my head with oil; my
cup runneth over.*

*Surely goodness and mercy shall
follow me all the days of my life;
and I will dwell in the house of the
Lord for ever.*

Psalm 23

There were 19 coaches at our anniversary rally. We had 3 charter members; Carl & Edith Langdon, Raiford & Claudia Fuller, and Richard & Laura Brownell. Six Guests; Joe Angeli, Virginia Russell, Anna Wilson, Florine Powell, Bob & Lou VanDiver, and John & Ann Cattuna. The food was excellent and the fellowship was great. It was really nice to see former members again. Thanks to everyone who helped make it an event to remember.
