Donald W. Cook, loving father and husband, true friend and a man who loved his family, friends, church and life passed away on February 13, 2013 at age 84.

Don was born in Moberly, Missouri, on February 5, 1929. He served in the Air Force during the Korean war and received both Bachelors and Masters

Degrees from the University of Florida. Don was the first woodshop

Teacher at Forest High School in 1959, and was later a Guidance Counselor there. In 1965 the Cook family moved to Lake Worth, Florida and Don began a 21 year career at Palm Beach Junior College, mentoring many students and directing lives before retiring in 1986 as Director of Counseling Services. While in South Florida Don was elected to the South Lake Worth Inlet Commission and served as president of the South West Palm Beach Exchange Club. Upon retirement the Cooks spent 5 years in Murphy, N.C. returning to Jacksonville in 1991. The Cooks were Members of the Sunwheeler Camping Club, traveled extensively and spent two years with the Mobile Missionary Assistance Program, doing volunteer

contruction work at churches and youth camps throughout the U.S.

Don was a charter member and Elder of the Hodges Blvd. Presbyterian Church and served as chairman of the Memorial Garden Committee and member of the Property Mission Team and helped design and build the Memorial Garden. A master woodcraftsman Don has left his creations talent and legacy in many places across the country as well as many homes where he freely gave his talent by building furniture, and toys for many friends and loved ones. His talents will be missed but most of all what will be missed is his loyalty, goodness, his giving and humble nature and ability to give unconditional and unselfish love to his family and friends. This was truly "a good man." He will be terribly missed by his son Bob Cook, wife Mary Cook and many many friends and family who adored him.

Visitation will be on Monday February 18th from 7-9 pm at Greenlawn Cemetery. A memorial Service and Celebration of Life will take place at 11am on Tuesday February 19th at Hodges Blvd. Presbyterian Church with grave side services held at Greenlawn Cemetery, 4300 Beach Blvd. at 2pm. In lieu of flowers, the family suggests donations be made to the Memorial Garden fund at Hodges Blvd. Presbyterian Church 4140 Hodges Blvd. Jacksonville, Fl 32224, www.greenlawnjacksonville.com.

MESSAGES FROM YOUR PRESIDENT:

Another successful
SEA rally is history.

This year's theme, SEA GOES HOLLYWOOD was enjoyed by all. For those of you who were not able to attend you missed a GREAT rally. 1000 plus family and vendor's coaches, 100 plus vendors, great entertainment and just fantastic weather.

My wife Sue hosted the Breakfast at Tiffins with a guest speaker from Lakeland Regional Cancer Center. Dr. Solange Pendas, an oncologist, gave the ladies in attendance an excellent talk.

Our parade was attended by several chapters. Following the parade, hot dogs and beans were served by Lazy Days.

As of this newsletter a theme for next year's rally has not been discussed. It will be on your Executive Board's agenda at our April meeting.

MANY THANKS

To our wonderful volunteers who worked endlessly before, during and after the rally.

HELP WANTED:

Due to the retirement of our SEA secretary, Karen Meredith, we are looking for someone or a couple who would like to volunteer to take charge of our vendors.

Karen did a wonderful job, and she will be missed. If anyone is interested kindly contact me by phone or e-mail. My cell # is 863-604-4678 and my e-mail address is rottenralph100@yahoo.com

SEA ANNUAL MEETING

Our annual meeting was held on Monday, January 30th, in Lawyer Hall.

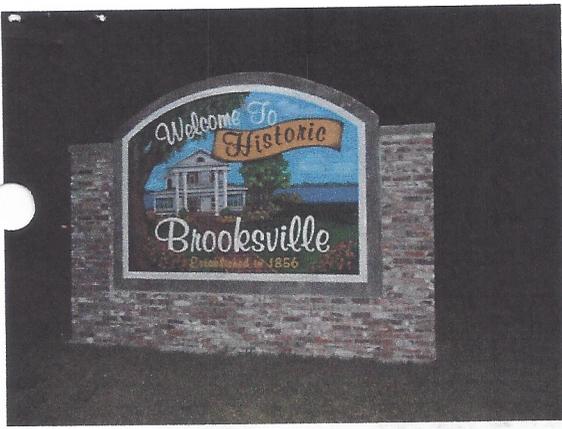

The most important issue discussed at the meeting was whether we should allow towables to attend our SEA rally. After some discussion and an informal vote was cast most of the National Directors in attendance were in agreement that we should allow towables to attend our SEA rally in the future.

FMCA NATIONAL

A special meeting was called by Paul Dubois, Northeast area V.P. The intent was to discuss revenue vs. expenditures. The minutes of that meeting are now available for viewing at the FMCA website.

In closing, remember my motto: JUST DON'T JOIN, JOIN IN.
Many Regards to all
And Safe Travels

Your SEA Area V.P.

SEA Goes Hollywood

Jim Duncan, SEA Alabama VP

As I write this, we are still in Florida at Water's Edge RV Resort in Okeechobee, FL. If you are ever down this way, check it out. It is a beautiful resort. The amenities are similar to those at Bella Terra.

There were several Alabama chapters in attendance at our recent rally in Brooksville. Three of our chapters, The Alabama Happy Travelers, The North Alabama Travelers (NATS), and The Central Alabama Travelers (CATS) received anniversary certificates presented by our SEA President, Ralph Marino. Congratulations to these chapters on their anniversaries.

The Magnolia Travelers assisted Dick Meredith in the vendor tent, the North Alabama Rv'ers were again captains of the FMCA clothing booth, and other Alabama chapter attendees were volunteering in parking, security, and other areas. We thank all of them for their contributions to the success of SEA Goes Hollywood.

Linda Winters called on stage. She did a great job!

As the rally opened, we held to our theme with our entertainment. Stage West, a local theatrical group, performed scenes from the play Chicago. Lucy and Desi performers were entertaining on Thursday evening, the Tampa Cigar City Band, with a big band sound, played on Friday Evening, and everyone enjoyed the Brooksville Bash on Saturday evening. Tour buses ran during the afternoon and evening taking and returning attendees downtown to enjoy the festivities.

The weather was beautiful during the entire week, and we hope you enjoyed the 2012 Southeast Area Brooksville rally.

It is with deep regret that I forward the following letter from Betty Black. Former members of the Sun Wheelers, before finding the need to move to Texas to be near family, Bob Black lost his struggle with Lung Cancer on August 24, 2013. Those of us who remember Bob and Betty recall two people that were shining stars with their humor and love of the chapter and its members. Please remember Betty and her family as they proceed through the trying times of this loss.

Fraternally,

Ann and Doug Pearson

Subject: Husband

Just wanted to let you know that my Dear hubby Bob passed away Aug. 24th, 2013 @ 10:30am from his lung cancer. He sure was a trooper though and stood tall as a Soldier through all the pain and suffering he endured those 4-months taking all the treatment's and medication he had to take and do. I was by his side day and night caring for him, taking him to all the appointment's he had to go to...and standing next to his bed in the hospital and at hospice rubbing his head and arm's and always talking and telling him just how much I Love him never once regretting what I had to do for him. Bob was my best friend; father to all our children; sole mate; and the best man I could have ever pick as my husband, he mint the whole world to me and now he's gone forever from earth but will live forever in my heart....Always remember, if you love someone please always be sure to let them know that and always tell them you love them. When the time came and he knew it was close he puckered up his lips three times and all three times I gave him a kiss goodbye and told him I loved him (and he could hear me) and that I would see him again in Heaven someday. He will most definitely be missed by all his family and friend's and co-worker's and all that knew him...he was a very loved man and loving person.

I Love all my family and friend's, and send my Thanks out to everyone for their Prayer's and thoughts during these times, all was much appreciated.

Sincerely,

Betty L Birkle Black

MAY RALLY NEWS

May's Rally. Sun Wheeler Minutes
Kelly's Countryside RV Park
10-12 May 2013

Jim Burke called the meeting to order as the winning 50/50 ticket was drawn. Brenda Wilson was the lucky winner.

Jim Welcomed guests Colt Kirkland and Melissa Hancock, who are now our newest members! Jim also extended a welcome to members Dean and Shirlee who have not been able to attend for a while, we are happy to see them back.

Roswitha confirmed the Weekend Meal Assessment of \$7.50 has been paid by all. Thanks went to Bill and Brenda Edgerton and Lonnie and Brenda Wilson for such a fine meal.

Jim asked Gary Griffis (Vice President) if a quorum was present, which was confirmed that there was. A motion to accept the Secretary's April minutes as posted was proposed. Ann Pearson seconded and the motion was passed with agreement from the floor. Approval of the Treasurer's report as posted for April was requested, Doug Pearson made the motion which was seconded by Tigg Wright and was approved unanimously by the floor.

Ann Pearson then brought us up to date with the Sunshine report: John Anderson came to happy hour, his knee is doing well, although further therapy is needed.

The Anderson's daughter's significant other, Robert, is getting much better, and is now able to eat small amounts, and is getting his voice back. A good improvement. A note has been received from Lloyd and Patti Golden, thanking us for our cards and wishes. He is awaiting notification on how his numbers are. Jim and Sandra Eddy also sent a note thanking us, we miss them and they miss us. They are still having issues, but hope to be back with us soon.

Doug and Ann had lunch with Justina and Walter Sykes who are no longer members but were long time members. They are doing well and enjoying life with their children and grand children, although they still miss their coach.

Miss Lily, is doing well after her accident and her eye is now healed. A card of Condolence has been sent to Miss Ellie about her father. A thinking of you card for Jim and Beth Upchurch is available to sign as we haven't heard anything from them and there is another card on the table to be checked out.

Sheriff Lonnie reported that 50c was collected.

Lonnie then handed the golf report to Sandy (Tigg Wright) who handed over the Pollie trophy to "Dapper Dan" (aka Jim, aka Frank Hershberger), who did an excellent job of getting 4 Pollie's. The lowest score went to Chris Wright. It was a great day on the course, with great weather.

In the absence of Cupcakes, Susan Burke and Bob Foy were given wishes for their birthday. Anniversary wishes were then given to the Edgerton's and the Spain's for their anniversary.

No old business was declared.

New Business: Next months rally is at Coastal Georgia RV Resort, and they have requested we make our reservations by May 25th. So if you know that you can attend, please make your booking as soon as possible.

Other Business: A question was raised about members who bring guests who attend just the Saturday nights meal. Due to the change in Meal Assessment policy recently, should they pay the full \$7.50 even though they were not attending the entire rally and not getting the breakfasts? Doug told us that the by-laws state that the only exceptions were the hosts and prospective new members, therefore, all other guests should pay the full assessment.

Tigg Wright then introduced his oldest Friend from London England, Tony Ross who thanked everyone for their hospitality, he had a tremendous time.

The next Rally is at Coastal GA RV Resort and our hosts will be The Grave's and the Hershberger's

The Meeting was then closed.
The White Elephant sale will commence after a short break.....

MOTHER'S DAY WEEKEND at KELLY'S COUNTRYSIDE RV RESORT

By Sassy Stitcher

With spring in the air, temperatures on the rise, it was Mother's Day weekend at Kelly's Countryside. We had seventeen coach members and one guest coach, along with several weekend visitors; it was time for another fun-filled weekend with The Sun Wheeler family.

The rally weekend got started on Wednesday with the early arrival of the Edgertons, Griffis', Pearsons (from only 3 miles north of Kellys) and the Sprains. Ten coach members rolled in on Thursday and they were the Dejesus', Draysons, Foys, Graves, Hershbergers, Martins, Rapsas, Wilsons, Wrights and the Burkes arrived at 9 pm. The Davises, Lambrights, Powells arrived on Friday, along with our "Potential" new members, Colt Kirkland and Melissa Hancock from Citra, FL. We also had several overnight visitors for the weekend, Tigg Wright had his longtime friend, Tony Ross visiting from London, England and the Lambrights had their handsome grandson, Lawrence visiting with them.

The fun got started on Friday morning, as eight club members left for Deerfield Lakes golf course for their monthly meeting with the white dimpled ball. Tigg's friend, Tony, went along for the ride. As several members went shopping, others gathered to spend the morning chatting, stitching, puzzling or napping. Happy Hour at 3 o'clock was time for good drinks, snacking, chat and puzzling. Karen Anderson dropped by to let us know that John was doing great with his knee surgery recovery.

Friday evening's meal was an "on-your-own" arrangement. Several members left to eat at local restaurants and several choose to eat at "home". The Burke's and Wrights hung out at Kelly's, awaiting the arrival of Colt and Melissa to welcome them to our fun-filled club. After getting them settled onto their site, the Burke's left for a visit to their son's home in nearby Oceanway. After returning from dinner, the Sun Wheeler members introduced themselves to the potential new members. Poker, Push Rummy and puzzling were the entertainment for the evening.

Our "Host" couples for the weekend, Bill & Brenda Edgerton and Lonnie & Brenda Wilson, cooked up a delicious breakfast on Saturday morning of scrambled eggs, sausage patties, biscuits and grits. After breakfast, it was time to swing on the porch swings, chat and smell the Boston Butts smoking in the tall black smoker nearby, go shopping, watch The Players Championship or take your dogs for a ride on the big golf cart.

Attitude Adjustment time at 3 pm, was a time for great fellowship, drinks and delicious snacks. It was also a great time to get to know Colt and Melissa. Rumor has it, that they are both attorneys and Colt has a dairy farm with cows.....can you say MOO! Needless to say, they turned their application and payment into President Jim and have joined the Sun Wheeler family! Welcome Colt and Melissa, we look forward to many more rallies with you. Sorry to say, Chrisy, has been dethroned as the "youngest" member of the club, as Melissa has now taken that crown!

Bill and Lonnie smoked the Boston Butts in the tall black smoker out front of the clubhouse all day on Saturday. Along with delicious side dishes and desserts for dinner, no one went away

hungry! We had several visitors at dinner on Saturday evening and they were, Lawrence (Dean & Shirlee's grandson); Tony Ross (Tigg's best friend from England) and Tom, Ellie, Jazmine and Lily (the Burke's son, daughter-in-law and granddaughters).

After a brief meeting lead by President Jim, the floor was turned over to Lonnie and Lloyd for our semi-annual White Elephant Auction for charity. The "Red Bloomers" went to the highest bidder and that was new member Colt Kirkland. Colt was seen throughout the night, trying his best to trade them off for something better! After the conclusion of the auction, poker was the only entertainment for the night.

After a quick continental breakfast of muffins, leftover biscuits, sausages and GRITS, it was time to say our goodbyes and pack it in, as another Sun Wheeler rally had come to an end.

Hope to see you all at Coastal Georgia RV Resort next month. If anyone has any ideas for a weekend get together during July or August, please bring it with you next month and we will get the word out.

Wishing all the Mothers in our club a very Happy Mother's Day!

Sassy

NEED A WASH AND WAX?

You might consider Mr. James Baker. While we don't endorse people or businesses, we know of several folks that have used Mr. Jim's expertise for washing and waxing their RV/Motorhome. He will come to you, rather than you dedicating a day to deliver and pick up your rig. If you're interested in this sort of service, give Jim a call. He'll provide the estimate, depending upon the size and condition of your vehicle, and make a date to come to you. His work will take years off your rig and help to restore that pride you experienced the first time you "hit the road".

Good morning Wheelers,

Just got off the phone with Jack Buening, after finding out that Nancy had a fall last night. She is presently in Baptist South Medical Center and is awaiting surgery as she broke her hip during the fall. While they do not have an exact time yet, the surgery should take place sometime after 2:30 PM this afternoon. Afterward, and after recovery, she'll have a room assignment and when that is available we'll get it out to everyone.

In the interim, we know you'll join Ann and I as we say a little prayer for Jack and Nancy as they endure this set-back.

Fraternally,

Ann and Doug Pearson

Dear SunWheelers, I just left Karen Anderson and she asked me to send a great BIG "Thank You SunWheelers" out to you all. Over the last few months we have done a lot of praying, supporting with good wishes and cards to her daughter Susie's guy Robert. She just got a text from Susie that read, " No evidence of disease found!" So, Robert is free of cancer right now and Karen, John, and Susie want to thank everyone for all their support. Keep letting us know if there are any more needs for the club to pray about and we will see you in Brunswick.

Also, Nancy came out of surgery okay but loopy last night. Keep her in your thoughts and prayers these next few days of healing and especially as she moves into rehab. I'll keep you informed there too! Bye now! Sunshine Ann

Good evening Wheelers,

Just got a call from Jack Buening and Nancy is out of surgery now and in recovery. The surgery went well, according to Jack, and right now she is in "La La Land". "Almost like she had made too many trips to Door # 4."; Jack said.

They did "Half" a hip replacement, as the hip was fine but the ball part of the joint on the leg is what needed to be replaced. They expect Nancy to be in the hospital for the next couple of days. (Baptist South; Room # 524) Then she will be moved to a re-hab facility for awhile as she continues to recover and establishes a re-hab exercise program.

Jack was on his way home for some needed rest and I'm sure we'll be kept advised of progress and more as things progress. Until then please continue to keep Jack and Nancy in your prayers as they proceed with the issues at hand.

Fraternally Yours,

Ann and Doug Pearson

Hi SunWheelers, Nancy Buening has been released from the hospital and they are awaiting transportation to her Rehab facility. She will be at River Gardens Hebrew Home at 11401 Old St. Augustine Rd. Jacksonville, 32258. I do not have a room number but will get it for you all. She was taking calls at the hospital, so you can check in on her. Of course now she will have a rehab schedule to deal with as well. I talked to her yesterday and she was doing well. She had only taken 2 Tylenol during the day for discomfort. The pain will come with working those hip muscles. Hopefully it will go slowly and not so painfully. Keep her and Jack in your thoughts and prayers. More later, Sunshine Ann
